Class Materials

- 1 composition book
- Pencils
- Pens (blue, black, & red)
- Glue Sticks
- Highlighters

Absent & Late Work

- It is extremely important to not miss class unless you have to. Being in class every day ensures you don't fall behind!
- If a student is absent from class it is his or her responsibility to check my website to get work and come see me with any questions he/she may have.
- Please be careful to complete and turn in your assignments on time. Points are deducted for missing or late assignments.

Life Science Curriculum:

- ✓ Students are required to conduct a Science Fair Experiment and complete a research report. This is accomplished by participating in our Science Fair.
- ✓ We will also be learning about the following areas of life science Classifying Living Things, Cells, Genetics, DNA, Evolution, Plants, Animal Populations and Communities, Ecosystems, and The Organs and Organ Systems in the Human Body.

Rules & Expectations

1. Be kind & respectful of everyone in the room.
2. Come to class prepared
3. Always Try your Best!
4. Know that it's ok to make mistakes. That's how we learn!

Notebooks

It is important that you keep your notebook up to date. You need to make sure that glue in worksheets and complete all assignments and notes in your notebook. At the end of each unit we study I will collect your notebook for a grade. Your notebook grade is equal to a test grade.

Grading

Your grade is comprised of the following

- Notebook
- Tests
- Quizzes
- Projects
- Participation
